Practice Logs

GENERAL INFORMATION
 Log must be signed by a parent/guardian
 • All practice logs are 1-300 credits
 • Late logs = Half Credit
 • Missing logs = No Credit
 • Minutes over 140 = Extra Credit
 • If student cannot practice in 15-minute practice periods, they may practice in 10-minute intervals. They may make up missing practice by practicing over 140 minutes over the same marking period.

INFO CONT'D
 Practice logs are stored in the middle folder of the main book folder at the beginning of each quarter and given the "Account" folder and all materials are in the back folder.
 Each date at the start of each week is a Monday.
 If a student needs to take the class on a week off, they must make up the practice logs in the week of Spring Break and make up the logs.

GRADING SCALE
 140 minutes = 10 points
 120 minutes = 9 points
 100 minutes = 8 points
 80 minutes = 7 points
 60 minutes = 6 points
 40 minutes = 5 points
 Less than 40 minutes = 3 points
 Every 10 minutes over 140 minutes will be 1 extra credit point (ex. 160 minutes = 12 points). Only 10 extra credit points can be earned in one week (240 minutes).

STUDENTS
 Students are responsible for writing their own practice logs. They must be written in the "Account" folder. The number of points is written in the "Points" column. The total score is written in the "Total" column. The number of points is written in the "Points" column. The total score is written in the "Total" column.

PARENTS
 Parents are responsible for signing their child's practice log. They must sign the log in the "Parent" column. The number of points is written in the "Points" column. The total score is written in the "Total" column.

GENERAL INFORMATION

Log must be signed by a parent/guardian

- * 140 minutes each week = Full Credit
- * Late logs = Half Credit
- * Unsigned logs = No Credit
- * Minutes over 140 = Extra Credit
- * Instrument Getting Repaired = Excused

Points are cumulative per marking period.

Ex. If a student is unable to/doesn't practice 140 minutes one week, they can make up the missing points by practicing over 140 in another week in the same marking period.

INFO CONT'D

Practice Logs are stapled to the inside cover of the music book towards the beginning of the school year. *If it goes missing, print off another one from the 'Resources' link or pick up another one in the band room.*

Each date at the start of each row is a Monday.

Ex. If a student wants to write minutes for Wed. 9/23/2015, they would write it in the Wed. column in the 9/21 row.

* 2 weeks of Winter Break and 1 week of Spring Break are extra credit.

STUDENTS

* You are responsible for writing down the number of minutes you practice each day.

Write only the number of minutes!

(90 minutes instead of 1.5 hours)

* You must **fill in the 'total' box** at the end of each week. Again, please only use the number of minutes.

* You are expected to practice a minimum of 30 minutes per night, five nights a week. (20 mins/7 nights also equals 140 mins.)

PARENTS

- * There is a box at the end of each week for a parent/guardian's **initials**.
- * The **honor system** will often be in place when students report the number of minutes and present their signatures. **Forged signatures or academic dishonesty** will be handled through office referrals and loss of credit for all points/practice minutes associated with the dishonesty.
- * Weeks that were unsigned can still be signed late and shown to director for half credit. Any unsigned week will become a 'zero' at the end of the marking period regardless if they practiced.

EXAMPLE OF A PRACTICE LOG

Logs get checked each week on Monday!
