

## 21. SCHOOL INSTRUMENT MAINTENANCE CONTRACT 2015-2016

The Three Rivers Instrumental Music Department owns a set of instruments that can be loaned out for student use throughout the school year. The instruments are kept on a contract with Marshall Music that keeps the cost of repairs as low as possible. The band boosters are asking a minimal fee (\$10) from parents and students who use these school instruments to contribute to the upkeep and maintenance of these instruments that the boosters undertake each year to keep our instruments in good repair. Percussion students will be asked to pay a the \$10 fee as well to contribute to replacement of drum heads, sticks, mallets, and the upkeep and maintenance of the various instruments that those students will use throughout their school year.

Please fill out the following form. If your son/daughter is using a school instrument, please also sign and date the contract below. Mr. VanToll will complete this form with specific model number(s) and serial number(s) for each instrument being used. Please return this form to Mr. VanToll with the rest of the forms by Monday, September 14, 2015.
